

# ***'Neural Dynamics Across Species: Looking Back and Thinking Ahead'***

A Symposium on the occasion of Gilles Laurent's 60<sup>th</sup> (-ish) birthday

Organizers: Mala Murthy (Princeton University) and Vivek Jayaraman (Janelia Research Campus, Howard Hughes Medical Institute)

**May 26–27, 2022**

**Max Planck Institute for Brain Research**  
Max-von-Laue-Str. 4, 60438 Frankfurt/Main

## **Thursday, May 26<sup>th</sup>**

9:00 am: Registration

9:30 am: Welcome

### **Session I: Light, sound and action!**

9:35 am: Fabrizio Gabbiani (Baylor College of Medicine)

10:00 am: Rich Mooney (Duke University)

10:25 am: Coffee Break

### **Session II: The stuff of memories and dreams**

10:55 am: Ueli Rutishauser (Cedars-Sinai Med Ctr, Los Angeles)

11:20 am: Mark Shein-Idelson (Tel Aviv U.)

### **Session III: Finding the right type and making contact**

02:00 pm: Maria Tosches (Columbia U; virtual)

02:25 pm: Winfried Denk (MPI Biological Intelligence)

## **Friday, May 27<sup>th</sup>**

### **Session IV: What, where and how**

9:30 am: Rainer Friedrich (FMI, Basel)

9:55 am: Vivek Jayaraman (HHMI Janelia)

10:20 am: Rachel Wilson (Harvard Med School)

10:45 am: Coffee Break

### **Session V: Reacting, thinking and interacting**

11:00 am: Nicho Hatsopoulos (U. Chicago)

11:25 am: Viola Priesemann (MPI Dynamics and Self-Organization)

11:50 am: Sam Reiter (OIST, Okinawa)

### **Session VI: Reacting, thinking and interacting (contd; all virtual)**

2:00 pm: Ila Fiete (MIT; virtual)

2:25 pm: Mala Murthy (Princeton U; virtual)

#### **Covid safety:**

Upon arrival at the institute, please provide proof of vaccination, recovery or testing at the reception desk. Face masks will be worn in doors.
